Concession/community member \$250 or \$80 per day

## What is it all about?

Wetlands are fundamental to the health of our natural environment. Rich in Biodiversity, their condition and survival is intrinsically linked to the well being of our urban and rural communities.

Greening Australia Victoria is offering a 5 day professional training package including presentations from some of the foremost experts in the field.

## What will I learn?

Participants will:

- Investigate how wetlands function within a landscape with regard to geology, hydrology and physical/chemical processes
- Examine/identify key wetland plants and explore their essential roles within wetland systems
- Learn of the important roles of fauna and their interactions with flora in wetland systems
- Learn how to assess and plan for retention, restoration and revegetation of wetland systems

Training will also include

- Inspirational and motivating presentations from Dr Beth Gott School of Biological Sciences, Monash University, Bernie Joyce Melbourne University, Nick Romanowski Author of "Aquatic and Wetland Plants", Craig Allen Wetland Consultant and many more.

Supported by Parks Victoria, CCMA and Alcoa

Day 1 Bernie Joyce  
 Day 2 Nick Romanowski  
 Day 3 Craig Allen  
 Day 4 Matthew Jackman,  
 Day 5 Dr Beth Gott
