

FIRE ECOLOGY WORKSHOPS

Details:

Where & When

Dereel Memorial Hall: Tues 18th Nov '08

Forrest Public Hall: Wed 19th Nov '08

Aireys Inlet Community Hall: Thurs 27th Nov 08

Time: 9.45am - 4.00pm

Cost: FREE, refreshments & lunch provided

Registration: Required, details below.

What is it all about?

Fire has shaped the majority of the regions landscape with many of the vegetation communities now dependent on fire for regeneration. You will learn about:

- the role of fire in the landscape
- vegetation responses to fire
- fuel load assessment
- people & plants in fire-prone areas .

Who is involved?

Our speakers have extensive knowledge on fire ecology, vegetation response, requirements for burning, and community fire programs:

- Kevin Tolhurst (University of Melbourne)
- Kim Stanley-Eyles (CFA Fireguard)
- Dept. of Sustainability & Environment representative
- Parks Victoria representative.

These workshops are supported by:
