

***Western Animal Management is a dedicated Pest Animal Control business servicing all areas of Western Victoria.***

***A new branch of Western Land Services, Western Animal Management offers a wide range of professional and effective control measures for all your Rabbit, Fox, Goat, Pig, Deer and Native wildlife problems including Possums, etc.***

We are **Authorised Manufacturers of 1080 Pest Animal Baits** including 1080 Carrot bait for rabbits, 1080 liver baits for foxes, and 1080 Meat & Liver baits for wild dogs.

Not only are we the most reliable source in the Western district for all your 1080 baiting needs, but we also service all areas of Pest animal management including:

- **1080 and Pindone baits, bait distribution** and planning.
- **Traps** and a variety of **trapping techniques** for any occasion from cats to pigs.
- **Professional Fully Licensed Shooters** (Registered Silencer permit holder), Wildlife Control Permits for native wildlife or game species.
- **Warren & Den fumigation** using Phosphine/chloropicrin or gas detonation devices.
- **Heavy Machinery** – Excavators, Bobcat, Tractors, Slashers
- **Habitat Reduction** including woody weed removal, Warren Ripping etc.
- Feral Proof **Fencing** including **rabbit proofing** and electric fencing.
- **Integrated Pest Animal Management planning** and design.

We are fully licensed, fully insured Vermin controllers with over 30 years experience in all areas of animal management.

We are already involved in current large scale contracts with organisations such as Water Authorities, Timber plantations, Local Government and State Government departments such as Parks Victoria and the Department of Primary Industries and hope to further offer our services to you.
