

Secretariat of the Pacific Regional Environment Programme (SPREP)

Position Title: Climate Change Mitigation Officer (CCMO)

Applications are invited from interested and qualified nationals of the Pacific Island countries and territories for the above position with SPREP in Apia, Samoa.

The CCMO is responsible to the Director through the Project Manager – Pacific Islands Greenhouse Gas Abatement through Renewable Energy Project (PM-PIGGAREP) to strengthen SPREP's capacity on Climate Change, and assist with the coordination and implementation of SPREP's Climate Change mitigation effort on renewable energy (PIGGAREP), energy efficiency, the clean development mechanism (CDM) and on sinks.

Key functional areas of the post include:

- Technical Advice & Programmes
- Financial Management and Reporting
- Programme Functional Support

Essential Selection Criteria's:

1. Minimum qualifications of a Bachelor Degree in Environmental Science, Energy or Economics or other field relevant to Climate Change Mitigation;
2. At least 5 years work experience in areas relevant to Climate Change Mitigation, and development issues within the Pacific Island Countries and Territories (PICTs);
3. Experience with climate change, mitigation, adaptation, and development issues of the PICTs;
4. Experience in project management or implementing donor funded projects
5. Proven ability to work as part of an interdisciplinary and/or multi-cultural team;
6. Excellent oral and written communications and interpersonal skills;
7. Ability to meet project deadlines;

Applications should include:

1. A detailed curriculum vitae containing full personal details (birth date, gender, nationality, marital status, number of dependents and age/s, health status, home address, and full contact numbers); qualifications and experience relevant for the position; previous and current appointments with salaries, names and contact addresses/numbers/E-mail of three professional referees who are prepared to provide testimonials.
2. A statement to address how each Essential Selection Criteria is met.
3. Available references from at least three recent employers and/or supervisors.
4. Indication of possible starting date if successful.

Please note it is essential that all requirements for submitting an Application as outlined above must be addressed otherwise your application will not be considered.

All applications to be clearly marked "**Application for Climate Change Mitigation Officer**" and addressed to: The Director, SPREP, P O Box 240, Apia or alternatively to email address: sprep@sprep.org

Full details of the CCMO's responsibilities, requirements and remuneration package can be obtained from the Employment section of our website: www.sprep.org or by contacting the Personnel Officer on telephone: 21929 Ext. 230, Fax: 20231, or direct Email: luanac@sprep.org

Closing date & time: Close of business, Thursday, 8 April 2010. Late applications will not be considered.
