

# FAST TRACK YOUR FUTURE

**HAVE YOU GOT THE SKILLS YOU NEED TO SPEED UP YOUR CAREER AND FUTURE PROSPECTS?**

**DO YOU KNOW HOW BEST TO INFLUENCE AND DIRECT CHANGE?**

If you are already operating in a group environment at work or as a volunteer, this course is for you. Further develop your knowledge and ability to be able to provide effective leadership so the group achieves its goals.

**MAKE IT HAPPEN**

Find out and experience:

- The skills you need to get results
- What skills to use with various groups
- How well functioning groups work and why
- What influences group dynamics
- How to improve your communication skills to get results
- How successful meetings are run
- Setting your own goals to make things happen
- How to understand non verbal communication
- How negotiation can get results
- The benefits of mentoring and coaching people

Workshop delivery is based on providing relevant examples, open discussion and group activities. Learning's will be immediately transferable back into your work place or group.
